

REMARKS

Claims 5, 10, 62, 67, 74, and 79 have been amended. Claims 1-4, 6-9, 63-66, and 75-78 have been canceled. The allowance of claims 12-61, 69-73, and 81-85 is gratefully acknowledged. In view of the amendments to the claims and the remarks below, Applicant respectfully requests that all remaining claims be allowed.

Claims 9-11, 66-68, and 78-80 stand objected to for depending upon a rejected base claim, but otherwise recite allowable subject matter. Applicant amended independent claims 5, 62, and 74 to include the features of claims 9, 66, and 78 as suggested in the Office Action. Claims 10, 11, 67, 68, 79, and 80 depend from amended independent claims 5, 62, and 74 that now included allowable subject matter. Accordingly claims 9-11, 66-68, and 78-80 are now in condition for allowance.

Claims 1-8, 62-65, and 74-77 stand rejected under 35 U.S.C. § 102(b) as being anticipated by U.S. Patent Publication 2001-0033511 to Saito et al. ("Saito"). The rejection is respectfully traversed.

Claims 1-4, 6-8, 63-65, and 75-77 have been canceled. Claims 5, 63, and 74 have been amended to include allowable subject matter from dependent claims 9, 66, and 78.

In view of the above, Applicant believes all pending claims are now allowable.

Dated: December 3, 2008

Respectfully submitted,

By
